

School Uniform Policy

School uniform promotes a sense of identity and brings us all together as a school community under our vision and values.

Our school uniform is a simple one. It can either be purchased with logos from the school office (which is priced low and not for profit to support our families) or purchased elsewhere without logos to make it more cost effective. We have a wide range of used uniform available to parents for free which can be found at the school office. When new or used uniform arrives we share this on DOJO.

The school uniform consists of:-

- Grey trousers / skirt / pinafore
- White polo shirt
- Red school sweatshirt or cardigan
- Summer dress - red and white check / stripe
- Red zipped fleece (optional)
- Tie (optional)
- Black shoes or trainers that are plain

PE kit – Indoor: shorts, plain red T shirt, pumps or trainers. Outdoor: plain black jog pants, red T shirt and plain black sweatshirt, trainers. Children taking part in Forest School activities will also need a pair of wellies.

Dial Park sweatshirts, cardigans, fleeces, PE T shirts, PE hoodies and ties are available from the School Office, as well as red gym bags and book bags.

Please would you **NAME** all clothing. It is helpful for younger children to have their gloves on tape slotted through the arms of their coats.

Please would you ask your child to report **ANY PROPERTY LOSSES ON THE DAY THAT THEY OCCUR**, so that we can try to track them down.

Whilst every precaution is taken by the school to ensure that children's property is not lost or damaged, the school cannot accept liability for this.

We discourage the wearing of earrings, and cannot accept responsibility for loss or damage or for injury resulting from wearing of jewellery.

Clothing related to religion or that which comes under the protected characteristics is accepted at our school. Also henna on hands etc at specific times of the year for particular faiths is also welcomed at our school.
