Governor lead	Karen Southwick

Strategy aims for disadvantaged pupils

Measure	Estimated Cost	Activity / Justification
Home Learning for those isolating following positive case in bubble.	£1,300 per class for a set of 32 tablets and software license. x 6 classes for a 3 year lease. Year 1 - £7,800 Year 2 - £7,800 Year 3 - £7,800 3 year total £23,400	Paper based work folders will continue to be sent home to those families with limited laptop / other device availability. LBQ can be set for all core and some foundation subjects with differentiation to support missed learning and plug gaps. It is aligned to EEF advice and supports high quality memorisation.
Accurate assessment of children across key stage 2.	This will overlap with pupil premium grant spending.	This will enable us to provide those pupils with a high level of need with regards to their social, emotional and mental health additional care and support within school.
Use emerging technology to support rapid catch up in learning missed.		Live assessment feedback on every question answered by the children allows for immediate response to assessed need. This formative assessment based n summative questioning allows for rapid catch up in areas of learning that may have been missed in core and foundation subjects.
Additional adult to develop phonics phase 1 environmental sounds and phase 2 speech.	£12,000 full time	Government recommendation. https://www.gov.uk/government/news/early-years-support-package-to-help-close-covid-language-gap This cost is more than the Covid catch up grant but the pupil premium grant will also offset the additional cost.
1:1 and small group catch up support	£23,000	An additional teacher has been employed to provide one-to-one and small group support for year six children. This cost is more than the Covid catch up grant but the pupil premium grant will also offset the additional cost. Assessment information from learning by questions and other means are used to target the children who need specific support in tightly defined core subject areas.
Additional Sports Coach lunchtime sessions.	£45 per session x 40 weeks = £1,800	Promote physical well-being. Engage pupils in structured play activities and promote positive social interaction. Bided by Stockport County.
Projected total spending	£60,200
