

Intent:

At Dial Park School, our principal aim in the teaching of Religious Education is to engage pupils in systematic enquiry into significant human questions which religion and world views address, so that they can develop the understanding and skills needed to appreciate and appraise varied responses to these questions, as well as developing responses of their own.

Withdrawing from RE:

Requests from parents for the withdrawal of their child from RE are responded to with alternative arrangements made so long as it does not incur any additional cost to the school or the local authority.
